## Leadership, Enrichment and Acceleration Program

LEAP is the name of Wellington Point State High School's Leadership, Enrichment and Acceleration Program. Offered to high-achieving students in Junior Secondary where qualifying students will be given the opportunity to extend their learning and leadership skills. It is a program where students are challenged and engaged in rigorous learning in a space where it is safe to question, explore and invent.

### DEEP LEARNING

Authentic engagement in real world challenges. It is the ability to master and leverage existing content knowledge, making links to reinterpret and create new meaning.

CURRICULUM FRAMEWORK

Our school is renowned for its nurturing school environment and high expectations culture where students can achieve their personal best. As a school, we are united, dynamic, determined, selfless and respectful, making us a desirable option to students who live within or outside of our immediate suburbs. It is our vision that every student succeeds in their chosen pathway.

## Igniting our learning

What does a 21st century worker look like? What skills will our students need to succeed in the future?

At Wellington Point State High School, we value and reflect on these questions. We focus on a curriculum of deep learning, where the skills of citizenship, communication, collaboration, character, creativity and critical thinking are valued and explicitly taught and developed. Students in the LEAP program will be engaged in collaborative group projects and challenges where they need to find solutions to real world problems. Students will also be encouraged to make real connections with our local community and learn from industry professionals and leaders.

## Selection Criteria

To be accepted into the LEAP program, applicants must demonstrate:

- An insatiable appetite for learning
- Effective group work skills
- High levels of motivation
- Leadership skills or potential
- High level academic results across all subjects
- Excellent behaviour and effort

## Commitment and expectations

Behaviour, attendance and academic standards must be maintained for students to remain in the program.

The application process is conducted each year and students need to reapply.
